

NATIONAL FIRE ACADEMY 2011 DIRECT DELIVERY COURSES FOR SOUTH DAKOTA

This course listing contains the nine courses allotted to South Dakota by the National Fire Academy (NFA) for the federal fiscal year FY11. Detailed course information will be sent out to all departments and posted on the South Dakota Fire Marshal Office (SDFMO) website approximately 60 days prior to the class. This will include location information, contact information, how to pre-register, and a course description. Start times and locations are subject to change. Course descriptions may also be viewed on the SDFMO website listed below.

The NFA requires a minimum of 20 pre-registered students to conduct these courses. Students must pre-register 40 days in advance to allow the NFA time to order and ship course materials, and to arrange for NFA instructor travel. Pre-registration deadlines for each course are listed below.

There is no cost to attend the courses, but the courses may be held at conferences which require a registration fee for other activities.

Contact the SDFMO for further information at (605) 773-3562 or visit the SDFMO website training page at:
http://dps.sd.gov/emergency_services/state_fire_marshall/training.aspx
